# I'm Not That Girl

INTRO - 4bars

γ Hands touch, γeyes meet

γ Sudden silence, γsudden heat

γ Hearts leap in a giddy whirl

He could be that boy But I'm not that girl →

γ Don't dream too far

γ Don't lose sight of who you are

γ Don't remember that rush of joy

He could be that boy γ I'm not that girl →

6/8 Every so often we long to steal

To the land of what-might-have-been

But that doesn't soften the ache we feel

When reality sets back in 2 3 4

γ Blithe smile, γlithe limb

γ She who's winsome, γshe wins him

γ Gold hair with a gentle curl

That's the girl he chose And Heaven knows

I'm not that girl 4bars

Don't wish, don't start

Wishing only wounds the heart

γ I wasn't born for the rose and the pearl

There's a girl I know →

ε He loves her so 2 3 4 rit..

ε I'm not that girl
