

I am so excited
snow is on the ground,
Watch it falling without a sound,
making snowballs with the snow.

Snow

I am so ex-cit-ed snow is on the ground, Watch it fall-ing with-out a sound.

Mak-ing snow-balls with the snow, Make a fort with all that snow!

I am so ex-cit-ed snow is on the ground, Watch it fall-ing with-out a sound.
